

MY EMAIL	CONSTITUENT EMAIL	MP	REPLY TO ME	REPLY TO CONSITITUENT
<p>I am sending this email to every Member of Parliament. I will publicise your responses in a database. Please note that this is not a constituency matter. It is of national importance, although you will all have constituents affected.</p> <p>You should be aware of the corruption in the appointment Rona Fairhead, an HSBC director, to head the BBC. Fairhead was at HSBC at the time they perpetrated a massive fraud on UK consumers over many years, amounting to some £1bn. The appointment was not in accordance with proper procedures and has serious implications for</p>	<p>Dear</p> <p>My address is and phone number:</p> <p>I am your constituent and I wish you to confirm that you received an email from Nicholas Wilson on 23 or 24 June 2015 and that you have read this link contained in his email – http://nicholaswilson.com/smoking-gun/</p> <p>I consider the appointment of Rona Fairhead, an HSBC director with no previous broadcast experience, to the Chair of the BBC Trust to be highly suspect and most likely a political appointment, which does not appear to have been carried out according to the correct procedures.</p> <p>Please confirm that you have received this email and that you will take appropriate action.</p> <p>Yours sincerely,</p>			

<p>democracy and free speech. The BBC has never reported the fraud, or David Cameron's cover-up in order to make the HSBC Chair, Stephen Green, a Lord.</p> <p>The fraud has already been ruled against by the Office of Fair Trading and the Solicitors Regulation Authority. However, it has also been covered up by the FCA, on their own admission, and this was dealt with by Jesse Norman MP at a Treasury Select Committee hearing earlier this year.</p> <p>All the details are here - http://nicholaswilson.com/smoking-gun/ - and my website contains all the evidence of</p>

<p>everything I am reporting. I have campaigned against this now for 12 years and the conspiracy of silence has got to stop. I expect at least one MP to take action and for the matter to be discussed in Parliament. That is what you are all there for.</p> <p>As mentioned, I will publish every response to this email, even if it is only an automated response.</p> <p>Nicholas Wilson</p>

		Amber Rudd	<p>Thank you very much for your email, I will reply as soon as possible.</p> <p>I receive a great many 'click and send' emails which constituents send via lobbying websites. These emails are very useful in letting me know how local people are feeling on a particular issue, however replying individually takes up a very large amount of time and limits my ability to help with constituents facing pressing individual matters. I will therefore put my response to campaign emails on my website.</p> <p>If you have emailed me on a particular campaign, you can find a detailed reply here – http://amberrudd.co.uk/responses-to-campaigns/ <http://amberrudd.co.uk/responses-to-campaigns/></p> <p>Yours sincerely,</p> <p>Amber Rudd MP</p>	<p>Dear</p> <p>Thank you for your email to Amber.</p> <p>I have searched Amber's Inbox, but can find no trace of an email from Nicholas Wilson.</p> <p>Amber will write to you as soon as possible.</p> <p>Kind regards,</p> <p>Dr Louise Sargent (Mrs) Office Manager to Amber Rudd, Secretary of State for Energy and Climate Change,</p>
